TOGETHER WE SUCCEED

TEACHING SCHOOL

Year 1 and 2 Literacy

Mark Smith has been working in education and teacher training for the past 20 years. He currently works as a senior advisor in Wolverhampton leading on Literacy, and has successfully driven standards in writing in Wolverhampton to 2 points above National Average at end of KS2 for the past 2 years. In 2018, he led a reading project across 23 schools which improved attainment by an average 15 % points.

We will look at the literacy requirements of Year 1 and 2 and how they journey together towards the end of KS1 TAFS. There will be model writing units presented which aim to support areas which students have difficulties in their writing, insights from the end of KS1 reading paper in 2019 and also a focus on how to support the transition from phonics to reading comprehension in KS1. All material is new for this academic year.

This session is relevant to all Year
